

KING CUTS

We've Been Preparing For You!

Welcome back, we've missed you!

Providing a **clean, safe** environment for you and your service is our #1 priority. Our staff already followed strict cleaning and disinfecting protocols regulated by local agencies before the effects of COVID-19, but we've now adopted extra safety precautions and placed even greater emphasis on deep cleaning. We remain committed to continually evaluating what must be done to meet the needs of our customers and adhere to (and exceed) both Centers for Disease Control (CDC) guidelines and state regulations. We have also added a new location that to help minimize the amount of people in each location.

The following safety precautions are being taken to protect the health and wellbeing of you and our staff during your visit:

- Our staff has taken a refresher course on Barbershop/Salon/Spa Infection Control and earned certificates
(displayed at their stations)
- Our staff wash their hands thoroughly before and after contact with every client.
- Our salon uses an EPA-registered disinfectant on tools, containers, and all surfaces that you may come in contact with during your visit.
- Chlorine bleach and other EPA approved disinfectants are used for cleaning the Barbershop.
- New PPE protocol has been established such as, safety goggles, scrubs, CDC approved masks, cleanable or disposable capes, and new set of gloves is used for every client and at times must be changed during the service.

HERE ARE THE NEW GUIDELINES FOR YOUR SERVICE AT KINGCUTS

- All services will be limited to one hour per service.
- A mask or face covering must be worn at all times even throughout your service.
- No beard or mustache services will be performed.
- APPOINTMENT ONLY NO WALK-INS! Please Book online or call in for booking.
- We will be limited to one person per visit. Parents can only bring in one child at a time.
- A client questionnaire survey must be completed and signed before your service. Also temperatures will be taken at your vehicle before entering the Barbershop. "PLEASE Have your vehicle climate controlled in order to get the best temperature reading. 100.4 degrees or above will not be serviced.
- We reserve the right to not perform a service if we feel the health and safety of all could be breached.

We ask that you please stay home if you're feeling sick, and the same goes for our staff. We will be happy to work with you to schedule another appointment as soon as you are feeling better. We are working hard to keep you and the salon community safe, and we know we can count on you too. Together we will make it through this trying time.

If you have any questions, please feel free to ask at the front desk. We are thrilled to provide services again, thank you for being a loyal client!
